We would like to thank very sincerely all those who attended the Public Meeting in the Ionad Áise on Wednesday, 10th February. There were great ideas from people about the work we should be focusing on in the months and years ahead.

On the leaflet enclosed with this Dialann, there is some information on MFG-Meitheal Mhúscraí work to date, & the aims of the new program. The Public Meeting was just the first step, so if you have ideas about how we should focus work under this program, we welcome any ideas. Copies of the report from that meeting are available at the Ionad Áise, also on [www.muscraie.ie](http://www.muscraie.ie)
